

Sponsorship and Exhibitor Opportunities STF Technology Conference and Expo 2012

STF Technology Conference & Expo 2012 will feature the latest business and technology innovations developed by companies all along the Suncoast. Attendees will engage with an array of exhibitors showcasing leading edge technologies that create efficiencies, reduce costs and enhance area company's competitive advantage.

A diverse range of technology solutions will be on display, including consumer devices, interactive technologies, business IT, cloud, hardware, software, VoIP telecommunications solutions, health tech, green tech, wireless, mobile applications, and more.

Sponsored by STF and the Florida High Tech Corridor Council, this will also be a collaborative event with BarCamp Sarasota who will be hosting multiple panel discussions and technology seminars. The Tech Expo Hall and Keynote Presentation will kick off the event on Friday, May 4th and transition into the BarCamp VIP reception Friday evening and the tech conferences to be held on Saturday and Sunday, May 5th-6th.

*Vendor Booths are for one day only, Friday, May 4th
